

npGreenway Board 9_13_17 (Notes by M. Parkhurst)

Present: Shelley, Lenny, Russ, Michael, Francie

June & August minutes: no quorum to approve (MP missed June and Aug mtgs)

Interjurisdictional coordination mtg 9/14 @ City of Portland

Section 1: find out about status of Chimney Park-Kelley Pt trail,

Section 2: trying to make contact with Toyota yard

Will get update tomorrow on Crown, Cork & Seal

Section 3: Will get update tomorrow on Lampros, Willamette Cove

Section 4: walk scheduled with Lenny Saturday on Swan Island, highlighting trail segment along the river

Will get update tomorrow on Greeley improvements from Roger G

Discuss tomorrow improving Swan Is cycle track - issues with sidewalk etc

Segment 5: Lenny not getting much traction with Swan Is businesses on Cement Road letter;

Francie arrives!

Discussion around strategy re: cement road and Greeley; need some creative options; Shelley related example from midwest with easement that allowed RR to re-take property with 1 yr notice if needed

Subcommittees:

Potential New Board members - Derek Swanson good candidate

Lenny: how about Cynthia Sulaski

Susan Watt? Not ready until she serves out term on MultCo bike/ped committee

Sarah Angell's husband Daniel Fleischer interested

Shelley set up Bottle Drop - people can use bag with barcode, or just select NPG when they drop off bottles

Ptld Parks foundation grant app - to update brochures and maps, and put together package for business outreach.

Francie - PBOT community driven grant program - let's check this out

Shelley monitoring email hits/etc from Constant Contact

Shelley to talk with UofP re: offer of printing services
Need to get graphic designer to update (maybe new t-shirt design too)

Francie happy to work with designer, has some map files

Events:

Tour for Kotek and Frederick, Wheeler and Eudaly?

Lenny-led walk Saturday

Metro annual trail counts

Quarterly trails mtg

Portland Comp plan hearing - deadline for comment Friday

Lenny asks for endorsement of letter re: opposing freeway expansion.

Shelley had some printed copies of PSU masters' students study; will get these on the website.

Interested in approaching PSU Engineering on route around the bluff as capstone project.

Francie: look too at route from Tillamook to bluff.
